## TELECOMMUNICATIONS SERVICES TARIFF

---

### 5.0 Grandfathered Rates and Charges for Talk America, Inc. Customers Transferred to Talk America Services, LLC (Cont'd)

#### 5.3 Service Descriptions and Rates for Residential Bundled Local Service (Cont'd)

##### 5.3.1 General (Cont'd)

Any unlimited long distance calling plan is strictly for typical residential applications and is subject to the following restrictions: no more than ten lines per location may have such plan; no unlimited plan shall be used in connection with auto-dialers, internet dialing, fax blasting, telemarketing, call centers, party lines, or similar activities. Incidental calling for dial-up internet access, data, and fax applications is permitted up to a maximum of 5,000 minutes within any one month's invoice. Usage beyond this threshold is presumed to be inconsistent with typical residential voice applications and is strictly prohibited. If Company determines that the usage is inconsistent with the usage restrictions described herein, it may take immediate action to enforce the restrictions, including, but not limited to service suspension, re-billing at Company's standard long distance rates, and transition to a message-rate long-distance service at Company's standard rates.

A Combination Charge applies to each line to allow the Company to combine elements into a service offering available to Customers in the State of New York.
