## TELECOMMUNICATIONS SERVICES TARIFF

---

### 3.0 General Rules and Regulations (Cont'd)

#### 3.4 Equipment (Cont'd)

##### B. Leased or Owned Facilities

The Customer's obligation to Company is the same whether the facilities involved are Company's facilities or are facilities leased by Company from another party. If Company incurs expenses due to the Customer's actions that result in damage or impairment of Company's owned or leased facilities, Company will pass on to the Customer any and all expenses to repair Company's facilities or that the owner imposes on Company for leased facilities.

#### 3.5 Contract for Service

Installation of certain services may require a contractual agreement between a Customer and the Company. The contractual agreement specifies the terms and conditions of service not covered by this tariff. The contract does not alter the obligations of Company to Customers as described in this tariff. The agreement may require the Customer to pay a minimum monthly fee ('MMF') wherein the Customer agrees, in writing, to pay for the duration of the term agreement, either the monthly recurring and usage charges, or the MMF amount, whichever is greater. Should the Customer choose to terminate their contract without cause prior to the agreed upon term, the Customer will be liable for the MMF specified in the contract multiplied by the number of months remaining in the term, unless Customer converts to another service provided by Company with equal or greater term and MMF commitment. In the event Company continues to provide service after the Customer contract is terminated or expires, then Company shall continue to provide service to the Customer under the terms of the then applicable tariff and applicable terms of the expired contract under a month-to-month arrangement.
