Re: Initial Tariff Schedule, P.S.C. No. 1 – Water for Pond Shore Water Works, Inc.

Dear Secretary Burgess:

Enclosed for filing with the Public Service Commission pursuant to Public Service Law (PSL) §89-e(2) is Initial Tariff Schedule, P.S.C. No. 1 – Water, for the Pond Shore Water Works, Inc. (Pond Shore or Company) for water service in the “Harmony Farms Subdivision” located in the Town of Pawling, Dutchess County.

P.S.C. No. 1 – Water

Original Leaves Nos. 1 – 12

Effective: July 1, 2019

Because the Company’s water plant and waterworks will be controlled by “The Highlands at Pawling Homeowners’ Association, Inc.” (Association) for the purpose of distributing water only to customers having an interest and voice in the Association’s operation, Pond Shore requests approval of its initial tariff and exemption from the rate setting provisions of PSL §5(4). Pond Shore also requests waiver of newspaper publication because it will individually notify its customers of the rates the Association members will pay.

Respectfully,
