Re: Fishers Island Electric Corporation

Dear Secretary Burgess:

Purchased Power Statement No. 105 effective February 21, 2018 is hereby filed with the New York State Public Service Commission pursuant to the provisions of the Fishers Island Electric Corporation's tariff. Rates were charged as of January 31, 2018 but there was a problem filing which is why the effective date is February 21, 2018.

Sincerely,

John C. Finan
President
