Appendix A identifies the tariff leaves being filed to become effective January 19, 2018.

The Commission’s Order Approving Temporary State Assessment Tariff Amendments (the “Order”), issued and effective December 19, 2017, in Case 09-M-0311, “Implementation of Chapter 59 of the Laws of 2009 Establishing a Temporary Annual Assessment Pursuant to Public Service Law §18-a(6)” required utilities to file tariff revisions and/or cancellation supplements within 30 days of the issuance of the Order to remove all language associated with the Temporary State Assessment (“TSA”) due to the expiration of the TSA effective after December 31, 2017.²

² Pursuant to Ordering Clause 4 of the Order, the utilities were also required to cancel their most recent TSA statements. The Company made this filing on December 28, 2017.

³ TSA is referred to as Assessments Under Section 18-a of the Public Service Law in the Electric and PASNY Tariffs.

surcharge; and (3) SC 11. The Company removed the TSA language in the Additional Delivery Charges and Adjustments section of the PASNY Tariff, which was where the TSA surcharge was described.

As directed by Ordering Clause 2 of the Order, the Company is filing changes to the Electric and PASNY Tariffs to become effective on not less than one day's notice.

As specified in Ordering Clause 5 of the Order, the Commission has waived the requirements for newspaper publication.

Very truly yours,
