RE: Case No. 14-E-0493, Proceeding on Motion of the  
Commission as to the Rates, Charges, Rules and  
Regulations of Orange and Rockland Utilities, Inc. for  
Electric Service

Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing Statement RDM-9 to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY ("Electric Tariff"). This statement is issued November 21, 2017 to become effective December 1, 2017.

The purpose of this filing is to implement the reconciliation of the Company's electric revenue decoupling mechanism for the period November 1, 2016 through October 31, 2017 ("Rate Year 2").

The cumulative net delivery revenue under-collection for Rate Year 2 is \$10,681,275, including interest.

Customer group-specific RDM adjustments have been determined to recover the net delivery revenue shortfall over the twelve-month period commencing December 1, 2017.

Attached as Appendix A to this filing are work papers showing the calculation of the RDM Adjustments set forth on Statement RDM-9.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.  
Director – Rate Engineering
