**Re: Statement of Delivery Revenue Surcharge No. 10**

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today with the New York State Public Service Commission (the "Commission") Statement of Delivery Revenue Surcharge No. 10, effective September 1, 2017.

Statement of Delivery Revenue Surcharge No. 10  
for Service Classification Nos. 1, 2, 3 and 9  
Effective September 1, 2017

**Explanation of Filing**

The Company recovers or refunds any delivery revenue under- or over- collections resulting from the extension of the suspension period in Case 16-G-0061<sup>1</sup> through the Delivery Revenue Surcharge ("DRS"). The DRS related to the delivery revenue shortfalls associated with the SC 1 Rate I minimum monthly charge and the SC 1 Rate I and Rate II (low income) volumetric charge were established to recover such shortfalls over the 5 month period commencing March 1, 2017, in accordance with the tariff. The Company filed an updated Statement of Delivery Revenue Surcharge (SDR Statement No. 9), effective August 1, 2017, in order to cease recovery of amounts related to the collection of delivery revenue shortfalls related to SC 1 that resulted from the extension of the Case 16-G-0061 suspension period. The Company is filing this SDR Statement No. 10 for rates effective September 1, 2017 to reconcile the differences in the SC1 actual amounts required to be collected and the actual amounts collected.

Any questions regarding this filing can be directed to Margaret Lenz at 212-460-2217.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
