Telecom Systems: **Compliance Filing of New York P.S.C. No. 2 (Access Services)**

Dear Ms. Burgess,

On May 23, 2017, NOS Communications, Inc. d/b/a 011 Communications d/b/a International Plus d/b/a The Internet Business Association d/b/a Ivantage Network Solutions d/b/a Blueridge Telecom Systems (NOS) filed a tariff Adoption Supplement with the Commission to correctly reflect on its access services tariff the additional names under which the Company does business in New York.¹ With this filing, NOS submits the compliance access services tariff (New York P.S.C. No. 2) which supercedes in its entirety the preceding NOS Communications, Inc. access services tariff² currently on file with the Commission.³ NOS submits these pages with a requested effective date of August 31, 2017.

¹ NOS Communications, Inc. NY P.S.C. No. 8; Adoption Supplement, Matter No. 17-01078 (filed May 23, 2017); acknowledged in June 29, 2017 letter from Troy A. Scripture. The Company also filed an adoption supplement for its local exchange services tariff. The compliance filing of that material will be addressed in a separate submission.

² NOS Communications, Inc. New York P.S.C. No. 8.

³ This filing adopts the services, rates and associated rules of the former tariff; however, the page formatting has been corrected to comply with Commission requirements. Consequently, the page length of this tariff material is greater than previously.
