Dear Secretary Burgess:

Enclosed herewith for filing is revised PSC No. 5 –Revenue and Production Cost Reconciliation Adjustment Clause and Property Tax Clause Statement No. 2 with an effective date of August 12, 2017, on behalf of New York American Water Company, Inc., f/k/a New York Water Service Corporation. This statement reflects a one time RAC/PTR credit per Merrick District customer of \$5.43 as of August 9, 2017, as explained more fully in the attached statement and pursuant to the letter dated July 26, 2017, from Michael J. Rieder, Chief, Gas and Water Rates.

New York American Water received the referenced letter of approval on July 31, 2017. The filing of this revised tariff statement was delayed due to the time required to prepare the bill messaging and customer communications, and physical implementation of the bill credit in the Company's accounting program.

Please do not hesitate to contact me should you have any questions.

Respectfully submitted,
