Re: Case 16-G-0533 – Rochester Gas and Electric Corporation – Tariff Filing to Establish
Service Classification No. 15 – Interruptible Sales Service and Service Classification No. 16
– Interruptible Transportation Service in P.S.C. No. 16 – Gas - Postponement Filing

Dear Secretary Burgess,

The enclosed Supplement, issued by Rochester Gas and Electric Corporation (“RG&E” or the “Company”), is transmitted for filing in accordance with the requirements of the New York State Public Service Commission.

Supplement No. 37 to P.S.C. No. 16 – Gas

Effective: July 13, 2017

RG&E’s proposed filing requires notice under the State Administrative Procedures Act (“SAPA”). To allow for additional time for the comment period of the SAPA RG&E has agreed, after discussions with Department of Public Service Commission Staff, to postpone the effective date of the proposed amendments to October 1, 2017.

The Company requests that the requirement of Section 66(12) (b) of 16 NYCRR Section 720-8.1 as to newspaper publication be waived as this postponement does not affect any internal procedures or processes, and will not directly impact the Company’s customers.

If you have any questions related to this filing, please contact Linda Dent at 585.771.4701 or me at 607.762.8710.

Respectfully Submitted,

A handwritten signature in black ink that reads "Lori A. Cole".
