Re: Cases 16-E-0710 and 16-E-0711 – Tariff filing to Offer Company-owned Light-emitting Diode (“LED”) Street Lighting Options for Customers Served Under NYSEG Service Classification No. 3 and RG&E Service Classification No. 1

Dear Secretary Burgess,

The enclosed Supplements, issued by Rochester Gas and Electric Corporation (“RG&E”) and New York State Electric & Gas Corporation (“NYSEG”) (together the “Companies”), are transmitted for filing in accordance with the requirements of the New York State Public Service Commission.

Supplement No. 25 to PSC No. 121 – Electricity  
Supplement No. 23 to PSC No. 18 – Electricity

Effective: August 5, 2017

Based on discussions with Department of Public Service Staff, these postponement supplements are being filed to permit additional review of the filing. These supplements propose to postpone the effective date of the filed tariff leaves until December 1, 2017.

The Companies request that the requirement of Section 66(12)(b) of the Public Service Law 16 NYCRR Section 720-8.1 as to newspaper publication be waived as these revisions do not affect any internal procedures or processes, and will not directly impact the Companies’ customers.

If you have any questions related to this filing, please contact Kelly Dietrick at 585.724.8135 or me at 607.762.8710.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Lori A. Cole".
