RE: Case No. 92-M-0607 – URD Update Filing

Dear Secretary Burgess:

The attached statements, issued by Niagara Mohawk Power Corporation d/b/a National Grid (“Company”), are being transmitted for filing in accordance with the requirements of the New York State Public Service Commission (“Commission”).

Statement of Underground Residential Distribution (“URD”) Contribution
Applicable to Rule 16-Underground Distribution

and

Statement of Non-URD Line Extension and Service Lateral Costs
Applicable to Rule Nos. 15.2 and 16.4.1.3

To P.S.C. No. 220 Electricity

Effective: July 1, 2017

This filing is being issued in compliance with the Order in Case No. 92-M-0607, issued September 21, 1993, which requires utilities to amend their average costs per foot of Underground Residential Distribution (“URD”) rates on an annual basis. The Company developed its URD rates using costs for the past calendar year and averaged those costs with the previous four years of actual costs. Included with this filing is Attachment 1 which sets forth the derivation of these costs.

Newspaper publication for this filing is waived by permission of Commission’s Orders in Case No. 92-M-0607.

Please contact Mr. Philip Langlois, Manager, Utility Services Analysis and Support, (315) 428-5708 with any technical questions regarding this filing.

Please inform the undersigned of any action taken regarding this filing.

Sincerely;

/s/ Patricia J. Rivers
