Re: Grandfathering of Channel for Program Transmission

Dear Secretary Burgess:

The following tariff schedule, issued by Verizon New York Inc. ("Verizon"), is transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York, to be effective June 15, 2017:

P.S.C. No. 13—COMMUNICATIONS
Section 7
Third Revised Page 1
Attachment 1
Original Page 1

The proposed revisions update grandfathering provisions for Channels for Program Transmission service. Additionally, it creates an attachment allowing for future changes to Serving Wire Center information to be made on one day's notice.

In view of the fact that the tariff changes do not increase existing prices, and merely clarify tariff language, we submit that this is a "routine" filing, pursuant to the Commission's December 27, 2000 "Order Waiving Newspaper Publication for Certain Routine Tariff Filings" in Case 99-M-1571. Additionally, customers who currently have the impacted services were notified of the grandfathering by letter in January 2017. Verizon respectfully requests that the requirements of newspaper publications be waived.

Please forward the acknowledgement receipt for this filing to Jeanette Nunez at jeanette.nunez@verizon.com.

Respectfully submitted,

A handwritten signature in black ink that reads "Keefe B. Clemons".

Keefe B. Clemons
