RE: Case 17-E-0174, Application for Service Form Revisions

Dear Secretary Burgess:

By letter dated March 24, 2017, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") amendments to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY, to become effective July 1, 2017.

This filing was made to update General Information Section No. 14, Form of Application for Service. The revisions are intended to allow the Company to better serve the needs of its customers by providing forms which clearly state the required information to activate or upgrade service. In addition to modifying its existing applications, the Company has also added a new application for outdoor lighting.

Commission Staff has requested a one-month postponement of the effective date of the proposed tariff amendments to August 1, 2017. The Company accordingly files Supplement No. 27 to postpone the effective date of the tariff leaves included in its March 24, 2017 filing. Supplement No. 27 is issued May 18, 2017 with an effective date of June 19, 2017.

The Company requests waiver of the requirements for newspaper publication of these changes as they do not affect existing customers and all new customers or customers requesting upgraded service will be provided copies of the applications.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Sincerely,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
