Re: Application for Service Form Revisions

Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing certain tariff leaves reflecting revisions to its Schedule for Electric Service, P.S.C. No. 3 – Electricity ("Electric Tariff").

This filing is made to update General Information Section No. 14, Form of Application for Service. The revisions are intended to allow the Company to better serve the needs of its customers by providing forms which clearly state the required information to activate or upgrade service. In addition to modifying its existing applications, the Company has also added a new application for outdoor lighting.

The tariff leaves are set forth in the Appendix to this letter and are issued March 24, 2017, to become effective July 1, 2017.

Enclosed is a proposed form of Notice of Proposed Rule Making for publication in the State Register pursuant to the State Administrative Procedures Act.

The Company requests waiver of the requirements for newspaper publication of these changes as they do not affect existing customers and all new customers or customers requesting upgraded service will be provided copies of the applications.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.  
Director – Rate Engineering
