Dear Secretary Burgess:

The enclosed Statements, issued by New York State Electric & Gas Corporation (“NYSEG”) and Rochester Gas and Electric Corporation (“RG&E”), (together the “Companies”) are transmitted for filing in compliance with the New York Public Service Commission’s (the “Commission”) Order Directing Tariff Filings, issued and effective on April 19, 2018 (the “Order”), in the above referenced proceedings.

On April 27, 2018, the Companies filed amendments to its tariffs in compliance with Ordering Clause No. 1 of the Order to revise the cost recovery mechanisms for the Dynamic Load Management (“DLM”) programs.

At that time, the Companies also requested an extension for collection of the costs for the DLM programs to allow the Companies to complete programming and testing of its billing system. Included in that request was a proposal to postpone the filing of a DLM Statement until the Companies were able to begin collecting the costs through the Transition Charge. The extension was granted and the Statements will become effective on September 1, 2018.

DLM Statement No. 1 to P.S.C. No. 121 – Electric
DLM Statement No. 1 to P.S.C. No. 18 – Electric
