Re: Electric Housekeeping Filing

Dear Secretary Burgess:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on July 19, 2018 to become effective September 18, 2018.

P.S.C. No. 15 – Electricity

22nd Revised Leaf No. 104
13th Revised Leaf No. 105

The purpose of this filing is to make housekeeping changes to existing tariff language to clarify the effective date of MPC Group (2) Service Classification No. 6 sub group 2.

The amendment to Electric Leaf No. 104 General Information Section 29 – Energy Cost Adjustment Mechanism – Market Price Charge is to clarify that the MPC rates for MPC Group 2 are further differentiated for Service Classification No. 6, sub group 2 customers on and after December 1, 2017.

The amendment to Electric Leaf No. 105 General Information Section 29 – Energy Cost Adjustment Mechanism – Market Price Charge is to clarify the MPC on-peak and off-peak rates for MPC Group 2 are further differentiated for Service Classification No. 6, sub group 2 customers taking service on and after December 1, 2017.

Since customers interested in Service Classification No. 6 would be in direct contact with the Company and the amendments listed above do not directly impact customers, the Company requests that the requirements of §66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Linda VanEtten at (845) 486-5554 or lvanetten@cenhud.com.

Yours very truly,

Anthony S. Campagiorni
Vice President
