RE: Case No. 18-E-0265 City of Jamestown Board of Public Utilities – Revisions to New Tariff Leaves to Implement New Service Classification No. 7 for High Density Load Customers, and Other Conforming Leaves and Revisions

Dear Secretary Burgess,

Enclosed herewith are the following tariff leaves, issued and transmitted for filing on behalf of the City of Jamestown Board of Public Utilities, in accordance with the requirements of the Public Service Commission in Case No. 18-E-0265.

New Leaf No. 133, Revision 1, superseding Revision 0
New Leaf No. 135, Revision 1, superseding Revision 0

These revisions are issued as of July 13, 2018 and are proposed to be effective September 1, 2018.

The City of Jamestown Board of Public Utilities respectfully requests a waiver of newspaper publication requirements of PSL § 66(12)(b) because the revised tariff leaves contain minor language clarifications and have already been published.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David L. Leathers", is written over a faint, larger signature.

David L. Leathers
General Manager
