Re: Statement of Adjustment Factor - MSC to P.S.C. No. 10

Dear Secretary Burgess:

The attached Adjustment Factor statement is issued by Consolidated Edison Company of New York, Inc. ("the Company") for filing with the New York State Public Service Commission pursuant to General Rule 25.2 of the Company's Schedule for Electricity, PSC. No. 10.

MSC Adjustment Statement No. 75 to P.S.C. No. 10 - Electricity
Effective March 14, 2018

In February 2018, the Company under collected approximately \$37 million of MSC II hedging costs. Normally, this under collection would have been fully reconciled in the March 2018 MSC II rates. However, to mitigate the impact on customer bills, the Company is spreading this under collection over a period of three months.

The Company also includes a copy of the workpapers used to determine the MSC II rates, effective March 14, 2018.

Questions regarding this filing can be directed to Donald Love at (212) 460-4988.

Respectfully submitted,

/s/William A. Atzl Jr.
