Re: Case No. 18-E-0126 - Tariff Filing by the New York Municipal Power Agency to  
Implement a New Rider A – Rates and Charges for High Density Load Service.

Dear Secretary Burgess:

Attached for filing is Supplement No. 1 to the Schedule for Electric Service P.S.C. No. 1 ELECTRICITY issued by the New York Municipal Power Agency to become effective on April 9, 2018. The purpose of this filing is to postpone until March 23, 2018 the effective date of Leaves 95, 96, and 97 filed on February 15, 2018. The postponement is requested to allow full compliance with the State Administrative Procedure Act.

As the filing only changes the effective date of the tariff leaves, permission is also requested for a waiver from the Commission's regulations governing notice, waiving the requirement of Section 66(12)(b) of the Public Service Law as to newspaper publication of the change proposed by the supplement, so that the Supplement may become effective on short notice on March 19, 2018.

Respectfully submitted,
