Honorable Kathleen H. Burgess, Secretary  
New York State Public Service Commission  
Three Empire State Plaza, 19<sup>th</sup> Floor  
Albany, New York 12223-1350

Dear Secretary Burgess:

In accordance with Section 720-2 *et al.* of the Commission's Regulations, 16 NYCRR § 720-2 *et al.*, KeySpan Gas East Corporation d/b/a National Grid ("Company") hereby submits the following tariff leaves to become effective July 1, 2018:

Fourth Revised Leaf No. 126  
Thirteenth Revised Leaf No. 127  
To Schedule for Gas Service, P.S.C. No. 1-GAS.

The purpose of this filing is to eliminate an outdated provision. Specifically, Special Provision (b) under Service Classification No. 3 states that customers currently under SC No. 3 who are not eligible for the service will be transferred to their appropriate service classification. This provision is an outdated clause from previous years when multi-dwelling service was a sub-classification of non-residential service. As the two services are now under separate service classifications, the provision is no longer applicable. Therefore, the revised tariff leaf eliminates Special Provision (b).

The Company requests a waiver of the newspaper publication requirement under Public Service Law § 66-12 and 16 NYCRR § 720.8.

Please contact the undersigned with any questions regarding this letter or the enclosure.

Very truly yours,

/ s / Dawn Herrity
