**Re: Statement of Delivery Revenue Surcharge Issued Pursuant to
Case 16-E-0060 (Electric Rate Case for Rate Years 2017-2019)**

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (the "Company") is filing a revised Statement of Delivery Revenue Surcharge ("SDR") applicable to billings under the Company's Schedule for Electricity Service, P.S.C. No. 10 – Electricity ("Electric Schedule"), applicable to its customers in the City of New York and the County of Westchester:

SDR – Statement No. 7 to P.S.C. No. 10 - Electricity

The SDR is being issued on March 27, 2018 to become effective on April 1, 2018.

Background

In its Order Approving Electric and Gas Rate Plans in Accord With Joint Proposal, issued and effective January 25, 2017, in Case 16-E-0060 (the "January Order"), the Commission approved a three-year electric rate plan for the 12-month rate years ending December 31, 2017, December 31, 2018 and December 31, 2019. The January Order directed the Company to recover shortfalls and refund over-collections, with interest, that resulted from the Commission's extension of the suspension period in that case. This was implemented through a "make-whole" provision over the 11 months commencing February 1, 2017¹. On January 31, 2017, the Company filed tariff changes to its Electric Schedule² and its Schedule for New York Power Authority ("NYPA" or "PASNY") Delivery Service – PASNY No. 12 ("PASNY Rate Schedule")³, effective February 1, 2017, specifying that Allowed Pure Base Revenue differences plus interest would be collected through the SDR applicable under the Electric Schedule and the PASNY Rate Schedule. The Electric Schedule also indicates that the

¹ As specified on pages 13 and 14 of the January Order.

² As specified on leaf 358, General Rule 26.7 of the Electric Schedule.

³ As specified on leaf 25, section (G), of the "Additional Delivery Charges and Adjustments" Section in the PASNY Rate Schedule.

difference between amounts required to be collected through the SDR and the amounts actually recovered from February 1, 2017 through December 31, 2017 would be charged or credited to customers through the SDR over a reasonable period of time after December 31, 2017.

On February 14, 2018, the Company filed SDR Statement No. 6, which set the rates to reconcile these differences over a one-month period commencing March 1, 2018. The Company is now filing SDR Statement No. 7 to set the SDR rates to zero, to be effective April 1, 2018, since the reconciliation period has ended.

Pursuant to the Electric Schedule, the SDR is filed with the Commission no less than three days before its effective date.

Any questions regarding this filing can be directed to Ricky Joe at 212-460-4995.

Very truly yours,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
