Honorable Michelle L. Phillips
Secretary
New York Department of Public Service
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Phillips:

On behalf of Armstrong Telecommunications, Inc., enclosed are revisions to its New York PSC Tariff No. 3 for Access. This is being filed to change originating intrastate switched access rates for Toll Free traffic. The changes are a result of an Order released by the Federal Communications Commission (FCC) on October 9, 2020 in WC Docket No. 18-156. FCC rules require an effective date of July 1, 2021 to implement rate changes. Armstrong understands that this tariff filing would not be approved by the New York Department of Public Service with this required date. Instead, it will be approved with a July 2, 2021 effective date due to the filing submission date.

The following tariff sheets are included:
