Re: Case 21-E-0078 and 21-G-0079 Order Approving Tariff Modifications Due to CIS Upgrade

Dear Secretary Phillips:

In compliance with the Commission's Order approving tariff modifications due to the upgrade being made to the Company's Customer Information System (CIS), issued and effective August 13, 2021, in the above captioned proceedings, Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company"), hereby files amended tariff leaves listed below to become effective September 1, 2021 on not less than 5 days' notice, on a temporary basis.

P.S.C. No. 15 – Electric
12th Revised Leaf No. 135

P.S.C. No. 12 – Gas
13th Revised Leaf No. 121

The purpose of this filing is to make further revisions to the above tariff leaves to clarify that a customer can only have one Retail Supplier for electric and area lighting service. In addition, consolidated billing charge scenarios were added to the tariff so Retail Suppliers are aware what charges they will incur when a customer has a combination of Retail Suppliers.

Pursuant to ordering clause 3 of the Order, a waiver of the requirements of 66(12)(b) of the Public Service Law and 16 NYCRR §720-8.1 as to newspaper publication was granted.

Questions related to this filing should be directed to Darlene Clay at (845)486-5466 or dclay@cenhud.com.

Yours very truly,

Christopher M. Capone
