**RE: Case 20-E-0547, Petition of Consolidated Edison Company of New York, Inc. for
Approval of Changes to Commercial Demand Response Programs**

Dear Secretary Phillips:

Ordering Clause No. 1 of the Public Service Commission's Order Adopting in Part, Modifying in Part, and Rejecting in Part Commercial Demand Response Program Changes, issued and effective March 22, 2021, in Case 20-E-0547, directed Consolidated Edison Company of New York, Inc. (the "Company") to file, with an effective date of May 1, 2021, and on not less than fifteen days' notice, tariff amendments reflecting the required further amendments as discussed in the body of the Order. This also necessitates a filing to cancel the pending tariff amendments and supplement the Company filed on November 2, 2020, and January 20, 2021, respectively, to amend the Company's electric rate schedule, P.S.C. No. 10 – Electricity.

Accordingly, the Company is submitting for filing Supplement No. 73 to P.S.C. No. 10 – Electricity. This supplement cancels the specified tariff leaves and supplement filed in Case 20-E-0547.

As specified in Ordering Clause 3 of the Order, the Commission has waived the requirements for newspaper publication.

Sincerely,

/s/ William A. Atzl, Jr.
