**RE: Case 18-G-0318 – Petition of KeySpan Gas East Corp. d/b/a National Grid, The Brooklyn Union Gas Company d/b/a National Grid NY, and Consolidated Edison Company of New York, Inc. for Approval of the Cost Calculation and Reimbursement Provisions of the Replacement New York Facilities Agreement, and Recovery and Reconciliation of Costs Incurred Pursuant to Such Provisions, and Other Related Relief**

Dear Secretary Phillips:

The Brooklyn Union Gas Company, d/b/a National Grid NY (“the Company”), hereby submits its Statement of New York Facilities System Surcharge / Surcredit (“NYFS”) in compliance with Rule 54 of PSC No. 12 Gas Tariff.

The Statement of New York Facilities System Surcharge / Surcredit No. 4 includes the annual reconciliation of the NYFS actual revenue and costs for Calendar Year (“CY”) 2020 to the amounts included in the Company’s base delivery rates for CY 2019.

The Company notes that this filing uses the CY 2019 rate allowance levels approved in Case 16-G-0059 as the proceeding to establish 12-month ending March 31, 2021 levels is still pending Commission approval in Case 19-G-0309. The Company may revise this filing once an order establishing Rate Year 2021 rate allowance levels is issued by the Commission.

Attachment 1 to this letter contains the calculations used to develop the NYFS rates included on the statement.

Please contact the undersigned with any questions regarding this letter or the enclosure.

Respectfully Submitted,

*/s/ Melissa M. Barnes*
