February 24, 2021

Honorable Michelle L. Phillips Secretary to the Commission New York State Public Service Commission Three Empire State Plaza, 19<sup>th</sup> Floor Albany, New York 12223-1350

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") herein submits for electronic filing its Statement of Energy Cost Adjustment, Statement No. ECA-108, to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY. This statement is issued February 24, 2021 to become effective March 1, 2021.

The Energy Cost Adjustment ("ECA") rates for March 2021 consist of a Base ECA, a Variable ECA component, an Earnings Adjustment Mechanism ("EAM") component, and a Temporary Surcharge component. The Variable ECA recovers the charges/credits relating to Transmission Congestion Contracts on a monthly basis, pursuant to the Commission's Order issued January 27, 2006, in Case No. 05-E-1090 and the Standby Reliability Credit. The EAM component recovers incentives associated with electric EAMs, pursuant to the Commission's order issued March 14, 2019, in Case No. 18-E-0067. The Temporary Surcharge component recovers a portion of the Company's Rate Year 3 delivery revenue requirement, approximately \$5.7 million, over the 12-month period ending December 31, 2021 pursuant to the Commission's order issued March 14, 2019, in Case No. 18-E-0067.

The March 2021 ECA Statement also reflects changes to the Base ECA for rates effective on or after March 2021. The Base ECA is comprised of costs for lost revenues associated with negotiated contracts under Service Classification No. 23, implementation costs associated with Rider M and Mandatory Day Ahead Hourly Pricing, and a reconciliation of ECA costs and recoveries from the previous calendar year.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Sincerely,

/s/ William A. Atzl, Jr. Director – Rate Engineering

\_

<sup>&</sup>lt;sup>1</sup> By letter dated January 29, 2021, the Company filed its annual ECA filing to reconcile the difference between Base ECA costs and recoveries.
