**Re: Case No. 20-M-0029 – Tariff Compliance Filing  
In the Matter of the 2019 Amendment to the Public Service Law,  
Section 66-p (C. 705, L. 2019), Relating to Billing Information for  
Residential Rental Premises**

Dear Secretary Phillips:

In compliance with the January 22, 2020 *Notice of Tariff Filings Due to Amendment of the Public Service Law* (“Notice of Tariff Filing”) in the above referenced matter, National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) hereby submits the following tariff revisions to its tariff, P.S.C. No. 9 - GAS:

<u>Section No.</u>	<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding Revision No.</u>
0	3	8	7
0	149	3	2

In accordance with the Notice of Tariff Filing, the tariff leaf submitted in the instant filing is issued as of today and has an effective date of July 1, 2020.

By way of background, this is a filing to update the tariff to effectuate changes to the Public Service Law § 66-p. Leaf number 149 provides new tariff language indicating that, within ten days of receiving a written request from a prospective residential tenant, Distribution will provide the prospective landlord, or other authorized person, the total gas charges incurred at the prospective residential rental premises for the life of the premises or the preceding two-year period, whichever is shorter. This information will be provided at no charge.

Concurrent with this filing, Distribution respectfully requests a waiver from the requirements of Public Service Law § 66(12) and 16 NYCRR § 720-8.1, pertaining to newspaper publication. The proposed tariff revisions are being made to ensure compliance with a change to the Public Service Law. The Notice of Tariff Filings provides appropriate public notice of the

change to the Public Service Law and the associated requirement to file the instant tariff amendment. Accordingly, expense of publication would not serve the public interest.

Any questions you may have regarding this filing can be directed to the undersigned at (716) 857-7507 or at [samej@natfuel.com](mailto:samej@natfuel.com).

Respectfully submitted,
