Re: Case 19-W-0536 – Joint Petition of Hopewell Service Corporation, and the Town of East Fishkill for Approval of the Transfer of Water Supply Assets of Hopewell Service Corporation to the Town of East Fishkill and the Dissolution of Hopewell Service Corporation.

Dear Secretary Phillips:

In compliance with the above-referenced Order issued March 20, 2020 by the Public Service Commission, Hopewell Service Corporation (“HSC”) submits its cancellation supplement, cancelling its tariff schedule P.S.C. No. 2 – Water, effective on not less than one day’s notice, to become effective March 5, 2021 .

Based on a request by Albert A. Natoli, Esq., who had been our attorney with respect to the transfer of the water system to the Town of East Fishkill, you, on behalf of the Commission extended our time to make this filing. Mr. Natoli has not represented us on this matter since his letter to you on August 4, 2020.

We apologize for not having made this filing sooner. Although the Town has been operating the water system since July, the closing is not yet complete. There is one outstanding matter regarding the payment of back taxes that will probably not be resolved until sometime in calendar 2021. Nevertheless, the resolution of this tax issue will not affect the ownership of the water system. Since the ownership of the water system is settled, we are filing these documents and request that they be accepted by the Commission.

Enclosed for filing is Supplement No. 4, dated to become effective March 5, 2021. The supplement cancels Hopewell Service Corporation’s tariff, P.S.C. No. 2 – Water. The requirements of Public Service Law §89-c (10) and 16 NYCRR §720-8.1 as to newspaper publication for the supplement has been waived. Hopewell Service Corporation will notify its customers by mail and will file a copy of the notification with the Secretary to the Commission as directed in the Commission’s Order.

Thank you for your patience and cooperation.

Very truly yours,

Hopewell Service Corporation
