Re: Case 19-E-0566 – Order Modifying Standardized Interconnection Requirements

Dear Secretary Phillips:

In compliance with the Commission's Order in Case 18-E-0018 issued and effective October 18, 2018, Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") hereby files the addendum listed below to become effective January 8, 2020 on not less than one day's notice.

P.S.C. No. 15 Electricity

Addendum SIR No. 24 – Standardized Interconnection Requirements

On December 19, 2019 the Company erroneously filed the updated SIR included as Appendix A to the December 13, 2019 Order ("December 13th Order") in Case 19-E-0566. With this filing the Company is reverting to the version of the SIR that was filed on October 31, 2018 in Case 18-E-0018 which is the revision that was in effect prior to the issuance of the December 13th Order to allow the Company time to comply with the requirements of the Order pursuant to the Secretary's Ruling Granting Extension in Case 19-E-0566 to February 3, 2020.

As directed by the aforementioned Order in this Case, the requirements of Public Service Law §66(12)(b) and NYCRR §720-8.1 as to newspaper publication have been waived.

Questions related to this filing should be directed to Michael Bachan at mbachan@cenhud.com or (845) 790-4898.

Yours very truly,
