Re: Case 15-E-0751 – Order Regarding Value Stack Compensation for High-Capacity-Factor Resources

Dear Secretary Phillips:

In compliance with Ordering Clause 1 of the Public Service Commission's *Order Regarding Value Stack Compensation for High-Capacity-Factor Resources* ("Order") issued and effective December 12, 2019, Central Hudson Gas & Electric Corporation ("Central Hudson or "the Company") hereby files the following original and revised tariff leaves to become effective February 1, 2020 on not less than 20 days' notice.

P.S.C. No. 15 – Electricity

1st Revised Leaf No. 163.9.9.1

5th Revised Leaf No. 163.9.10

Original Leaf No. 163.9.10.1

This filing is being made pursuant to the aforementioned Order to adjust the Market Transition Credit ("MTC") that is applicable to subscribers of qualifying Community Distributed Generation ("CDG") projects with generation produced by dispatchable, high-capacity-factor resources, specifically fuel cells, and also to limit the Environmental component of the Value Stack to resources that are listed under the definition of renewable energy systems under Public Service Law §66-p, subject to certain grandfathering provisions.

Pursuant to Ordering Clause 2 of the aforementioned Order, the requirements of Public Service Law §66(12)(b), §92(2)(a), and NYCRR §720-8.1 regarding newspaper publication of these tariff amendments have been waived.

Questions related to this filing should be directed to Jay Tompkins at (845)486-5203 or jtompkins@cenhud.com.

Respectfully,

Anthony S. Campagiorni
Vice President
Customer Services & Regulatory Affairs
