Dear Secretary Phillips:

Pursuant to the *Order Establishing Updated Pole Attachment Rates with Modifications* issued in this proceeding on November 18, 2019 (“November Order”), the New York Municipal Power Agency (“NYMPA”) hereby submits tariff amendments to establish annual wireless and wireline pole attachment rates. Pursuant to the November Order, the tariff amendments have an effective date of November 29, 2019.

NYMPA hereby submits the following:

- A revised Section XXIV to PSC NO: 1 ELECTRICITY, comprising Leaf No. 98, Revision 1, governing pole attachment rates for its members, as required by Ordering Clause 3 of the November Order;
- Supplement No. 2 to its Electric Tariff which cancels the Original Leaf No. 98, issued July 29, 2019, as required by Ordering Clause 2 of the November Order.

As specified in Ordering Clause 4 of the November Order, the Commission has waived the requirements for newspaper publication for this filing.

Please contact the undersigned should you have any questions.
