RE: Case No. 16-M-0330, Petition of CTIA – The Wireless Association to Update and Clarify Wireless Pole Attachment Protections

Dear Secretary Phillips:

Consolidated Edison Company of New York, Inc. (the “Company”) hereby submits for filing with the Public Service Commission (the “Commission”) Supplement No. 64 to its Schedule for Electric Service, P.S.C. No. 10 – Electricity (“Electric Tariff”).

Ordering Clause 2 of the Commission’s Order Establishing Community Updated Pole Attachment Rates with Modifications, issued and effective November 18, 2019, in Case No. 16-M-0330 directed the Company to cancel the tariff amendments filed with the Commission on June 12, 2019 and the suspension supplement, Supplement No. 63, filed July 17, 2019.

Accordingly, the Company is submitting for filing Supplement No. 64 to its Electric Tariff, which cancels the aforementioned tariff amendments and the subsequent suspension supplement.

As specified in Ordering Clause 4 of the Order, the Commission has waived the requirements for newspaper publication.

Any questions regarding this filing can be directed to Ricky Joe at (212) 460-4995.

Very truly yours,
CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
