RE: Case 16-M-0330 – Petition of CTIA – The Wireless Association to Initiate a Proceeding to Update and Clarify Wireless Pole Attachment Protections.

Dear Secretary Phillips:

Pursuant to the *Order Establishing Updated Pole Attachment Rates with Modifications* issued in this proceeding on November 18, 2019 (“November Order”), the Village of Bath hereby submits tariff amendments to establish pole attachment rates as approved for the New York Municipal Power Agency (“NYMPA”), of which it is a member. Once the pole attachment rates in its Concurrence Tariff are cancelled, the Village’s pole attachment rates will fall under the purview of the NYMPA Generic Tariff. The tariff amendments have an effective date of December 9, 2019.

The Village hereby submits the following:

- A sixth revised Leaf 2 to PSC NO: 1 ELECTRICITY, removing the reference to pole attachment rates from its Table of Contents;
- A third revised Leaf 21, deleting the previously approved pole attachments rates, and reserving the Leaf for future use.

As specified in Ordering Clause 4 of the November Order, the Commission has waived the
