RE: Case 16-M-0330 – Petition of CTIA – The Wireless Association to Initiate a Proceeding to Update and Clarify Wireless Pole Attachment Protections.

Dear Secretary Phillips:

Pursuant to the *Order Establishing Updated Pole Attachment Rates with Modifications* issued in this proceeding on November 18, 2019 (“November Order”), the Penn Yan Municipal Utilities Board hereby submits tariff amendments to establish pole attachment rates as approved for the New York Municipal Power Agency (“NYMPA”), of which it is a member. Once the pole attachment rates in its Concurrence Tariff are cancelled, Penn Yan’s pole attachment rates will fall under the purview of the NYMPA Generic Tariff. Pursuant to the November Order, the tariff amendments have an effective date of November 29, 2019.

Penn Yan hereby submits the following:

- A sixth revised Leaf 15 to PSC NO: 1 ELECTRICITY, deleting the previously approved pole attachments rates.

As specified in Ordering Clause 4 of the November Order, the Commission has waived the requirements for newspaper publication for this filing.

Please contact the undersigned should you have any questions.

Hon. Michelle L. Phillips
