**Re: Case 16-W-0259 - Proceeding on Motion of the Commission as to the Rates,  
Charges, Rules and Regulations of New York American Water Company,  
Inc. for Water Service**

Dear Secretary Phillips:

New York American Water Company, Inc.'s hereby submits System Improvement Charge ("SIC") Statement No. 2, effective December 6, 2019, to Tariff, P.S.C. No. 5 – Water, pursuant to the attached letter from Michael J. Rieder, Deputy Director, Rates and Tariffs, dated December 5, 2019.

The Commission's Order Establishing Rates for Water Service issued May 18, 2017 in the above referenced matter adopted the provision of the Joint Proposal that provided for the SIC surcharge to go into effect 60 days after submittal unless Staff submits a letter to the company indicating that the proposed surcharge should be adjusted. The associated tariff filing was not made previously due to a misunderstanding of the process on the company's part. Going forward the proposed tariff statement will be submitted as part of the annual filing.

Respectfully submitted,

John T. Dillon
