**Re: Case 19-G-0191 – Matters Regarding Interruptible Service**

Dear Secretary Burgess:

On March 14, 2019, Consolidated Edison Company of New York, Inc. (the “Company”) made a tariff filing with the Public Service Commission proposing changes to the Company’s Schedule for Gas Service, P.S.C. No. 9 – Gas. The tariff changes, which relate to Interruptible Service, were proposed to become effective on October 1, 2019.

At the request of the Staff of the Department of Public Service, the Company is postponing to November 1, 2019 the effective date of the tariff changes that were filed on March 14, 2019. Accordingly, the Company hereby submits Supplement No. 89 to P.S.C. No. 9 – Gas to postpone the effective date of the tariff changes to November 1, 2019.

The Supplement is issued on 30 days’ notice and has an effective date of October 19, 2019. However, since the tariff leaves currently have an effective date of October 1, 2019, the Company respectfully requests that it be authorized to put the Supplement filed today into effect on short notice, i.e., October 1, 2019. The Company respectfully requests waiver of notice requirements of the proposed change in the effective date.

Sincerely,

/s/ William A. Atzl, Jr.  
Director  
Rate Engineering Department
