Honorable Kathleen H. Burgess, Secretary  
State of New York  
Public Service Commission  
Office of the Secretary, 19th Floor  
Three Empire State Plaza  
Albany, NY 12223

Dear Secretary Burgess:

The attached statement, issued by Niagara Mohawk, d/b/a/ National Grid ("Company"), is being transmitted for filing in accordance with the requirements of the New York State Public Service Commission ("Commission"):

VDER Value Stack Credits Statement  
Statement No. 21  
To P.S.C. No. 220 Electricity  
Effective: June 28, 2019

The above statement is being filed in accordance with Rule 40.2 - Value Stack in PSC No. 220 Electricity. This VDER Value Stack Credit Statement is to be filed with the Commission on not less than three (3) business days notice before the effective date.

The available LSRV Substation list has been updated to reflect the movement of projects into Phase One NEM per the April, 18, 2019 *Order Regarding Value Stack Compensation* that allowed projects with a rated capacity of 750 kW or lower and on-site load of less than or equal to 110% of the customer's annual usage qualify for Phase One NEM compensation.

The VDER Value Stack Credit Statement No. 21 is effective June 28, 2019 for batch billed customers, and July 1, 2019 for calendar month billed customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Carol Teixeira

Carol Teixeira,  
Manager, NY Electric Pricing
