Re: Case 16-M-0330 – Order Approving Petition in Part and Continuing Proceeding

Dear Secretary Burgess:

In further compliance with Ordering Clause 1 of the Public Service Commission's Order Approving Petition in Part and Continuing Proceeding in Case 16-M-0330 issued and effective March 14, 2019, Central Hudson Gas & Electric Corporation ("Central Hudson or "the Company") hereby files the following revised tariff leaf to become effective on August 1, 2019.

P.S.C. No. 15 – Electricity

12th Revised Leaf No. 120

On March 1, 2019, Central Hudson made a filing to propose an update to the pole attachment rate applicable to cable system operators and telecommunication carriers to become effective July 1, 2019. On June 17, 2019, the Commission issued an Order Establishing Updated Pole Attachment Rates ("Order") in Case 19-E-0134 which rejected the rate proposed in the March 1, 2019 filing and required the Company to file a modification to reflect the impact of the excess deferred income taxes resulting from the 2018 Tax Act. A revised tariff leaf with the adjusted rate was filed on June 21, 2019 in compliance with the Order.

The purpose of this filing is to revise the per-foot wireless attachment rate applicable to wireless communications carriers which was previously filed on June 11, 2019 in compliance with the Order Approving Petition in Part and Continuing Proceeding in Case 16-M-0330. The revised wireless attachment rate filed herein is based on the same analysis and calculation as the revised wireline attachment rate that was filed on June 21, 2019 in compliance with the aforementioned Order and therefore the rates should be consistent.

Pursuant to Ordering Clause 5 of the Order, the requirements of Public Service Law §66(12)(b), §92(2)(a), and NYCRR §720-8.1 regarding newspaper publication of these tariff amendments have been waived.

Questions related to this filing should be directed to Jay Tompkins at (845)486-5203 or jtompkins@cenhud.com.

Respectfully,

Anthony S. Campagiorni
