Honorable Kathleen H. Burgess, Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Burgess:

The attached statement, issued by Niagara Mohawk, d/b/a/ National Grid ("Company"), is being transmitted for filing in accordance with the requirements of the New York State Public Service Commission ("Commission"):

VDER Value Stack Credits Statement
Statement No. 20
To P.S.C. No. 220 Electricity
Effective: May 31, 2019

The above statement is being filed in accordance with Rule 40.2 - Value Stack in PSC No. 220 Electricity. This VDER Value Stack Credit Statement is to be filed with the Commission on not less than three (3) business days notice before the effective date.

Changes have been made to this statement in accordance with the *Order Regarding Value Stack Compensation* in Case 15-E-0751, issued April 18, 2019. Specifically, new information was added to the Capacity, DRV, and LSRV sections to accommodate new rates for projects that qualified for Value Stack compensation after July 26, 2018. Furthermore, the LSRV substations are now grouped into three geographic regions (Central, East, & West) reflecting the call groups for LSRV Call Events. Finally, a new Community Credit section has been added for CDG projects that qualified after July 26, 2018.

VDER Value Stack Credit Statement No. 20 is effective May 31, 2019 for batch billed customers, and June 1, 2019 for calendar month billed customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Carol Teixeira

Carol Teixeira,
Manager, NY Electric Pricing
