Albany, New York 12223

**Re: Case 17-G-0606, Non-Pipe Solutions**

Dear Secretary Burgess:

On March 4, 2019, Consolidated Edison Company of New York, Inc. (the “Company”) made a tariff filing with the Public Service Commission proposing changes to the Company’s Schedule for Gas Service, P.S.C. No. 9 – Gas. The tariff changes, which related to cost recovery for certain non-pipe solutions, were proposed to become effective on July 1, 2019.

At the request of the Staff of the Department of Public Service, the Company is postponing to September 1, 2019 the effective date of the tariff changes that were filed on March 4, 2019. Accordingly, the Company hereby submits Supplement No. 86 to P.S.C. No. 9 – Gas to postpone the effective date of the tariff changes to September 1, 2019.

The Supplement is issued on 30 days’ notice and has an effective date of June 30, 2019. The Company respectfully requests waiver of notice requirements of the proposed change in the effective date.

Sincerely,

/s/ William A. Atzl, Jr.  
Director  
Rate Engineering Department
