Re: Case 16-M-0330 – Order Approving Petition in Part and Continuing Proceeding

Dear Secretary Burgess:

In compliance with Ordering Clause 1 of the Public Service Commission's Order Approving Petition in Part and Continuing Proceeding in Case 16-M-0330 issued and effective March 14, 2019, Central Hudson Gas & Electric Corporation ("Central Hudson or "the Company") hereby files the proposed tariff leaves to become effective on August 1, 2019.

P.S.C. No. 15 – Electricity

2nd Revised Leaf No. 18.2

10th Revised Leaf No. 120

The purpose of this filing is to include new terminology and a per-foot wireless attachment rate applicable to wireless communications carriers for equipment attached to electric distribution poles owned or controlled by Central Hudson. The per-foot wireless attachment rate was established based on the Federal Communications Commission ("FCC") formula for horizontal cable attachments using 2018 data. The wireless attachment rate filed herein is based on the same analysis, and is consistent with the wireline attachment rate that was filed on March 1, 2019 in Case 19-E-0134, which is on the Commission's June 13, 2019 consent agenda.

Pursuant to Ordering Clause 5 of the Order, the requirements of Public Service Law §66(12)(b), §92(2)(a), and NYCRR §720-8.1 regarding newspaper publication of these tariff amendments have been waived.

Questions related to this filing should be directed to Jay Tompkins at (845)486-5203 or jtompkins@cenhud.com.

Respectfully,
