RE: Case 16-G-0061 - Con Edison's Gas Rate Case - RY 3 and Case 14-M-0565 - Affordability for Low Income Utility Customers

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison or the "Company") is filing with the Public Service Commission (the "Commission") amendments to its Schedule for Gas Service, P.S.C. No. 9 – Gas (the "Gas Tariff"), applicable to its customers in the City of New York and the County of Westchester.

The Company's tariff leaf, identified below, is issued to become effective on June 1, 2019.

<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding Revision No.</u>
130	5	4

Reason for Filing

The Commission's Order Approving Tariff Amendments on a Permanent Basis ("Order"), issued April 26, 2019, in Cases 16-E-0060, 16-G-0061 and 14-M-0565, directed the Company to file tariff amendments to clarify the eligibility requirements for the Company's low income program tiers.

Tariff Changes

Pursuant to the Order, the Company is filing tariff changes on Leaf 130 of the Gas Tariff as described below:

- Modified the definition of add-on benefits to clearly reflect that an add-on benefit requires an incremental payment in addition to a regular HEAP benefit.
- Clarified the eligibility requirements for the various tiered offerings.

Conclusion and Notice

As directed by Ordering Clause 1 of the Order, the Company is filing changes to the Gas Tariff on not less than 10 days' notice to become effective on June 1, 2019. As specified in Ordering Clause 2 of the Order, the Commission has waived the requirements for newspaper publication.

Sincerely,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
