P.S.C. No. 15 – Electricity

Supplement No. 101

On November 30, 2018, Central Hudson submitted a tariff filing proposing a more comprehensive light emitting diode (LED) product option under Rate A (Company owned and maintained) Service Classification ("SC") No. 8 – Public Street and Highway Lighting, and Service Classification No. 5 – Area Lighting, to become effective on April 1, 2019. On February 12, 2019, Supplement No. 100 was filed to postpone the effective date to June 1, 2019.

The Company also requests a waiver of newspaper publication requirements of Public Service Law §66(12) (b) for this filing.
