RE: Village of Buchanan One Percent Surcharge on Gross Income

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (the “Company”) hereby submits for electronic filing its Statement of Percentage Increase in Rates and Changes to its Schedule for PASNY Delivery Service, PSC No. 12 – Electricity (“PASNY Delivery Service Tariff”).

GRT-PASNY Statement No. 9 to PSC No. 12 – Electricity

The statement is issued March 11, 2019 to become effective April 1, 2019. The Common Charges and Adjustments – Increase in Rates and Charges section, Leaf No. 10.1, of the PASNY Delivery Service Tariff provides for the filing of a revised Statement whenever there is a change in the rate of revenue tax enacted by a city or village.

Section 5-530 of the Village Law of the State of New York authorizes any Village to impose tax on utilities, operating within the territorial limits of such Village, equal to 1% of the utilities’ gross income derived from transactions within the territorial limits of such Village. On March 7, 2019, the Village of Buchanan provided the Company private notification indicating that it has imposed such a tax. A copy of the private notification is enclosed.

By this filing the Company, pursuant to the provisions of the PASNY Delivery Service Tariff, proposes to add the Village of Buchanan to the list of cities and villages in which the Company recovers the additional revenue taxes imposed on it.

Questions regarding this filing can be directed to Donald F. Love at (212) 460-4988.

Respectfully submitted,

/s/ William A. Atzl, Jr.
