Dear Secretary Burgess:

Orange and Rockland Utilities, Inc. (the "Company") herein submits for filing its Statement of Market Supply Charge, Statement No. MSC-85, to its Schedule for Electric Service, P.S.C. No. 3-ELECTRICITY. This Statement is issued March 27, 2019, to become effective April 1, 2019.

The Market Supply Charges ("MSC") for April 2019 include a projection of April 2019 electric supply costs and a reconciliation of February 2019 electric supply costs and MSC recoveries and the Clean Energy Standard Supply Surcharge. This statement also includes a determination of the capacity and adder rates and Clean Energy Standard Supply Surcharge necessary for Day-Ahead Hourly Pricing customers pursuant to the Commission's Orders issued April 24, 2006 and February 22, 2017, in Case Nos. 03-E-0641 and 15-E-0302, respectively. For the rates applicable to Service Classification Nos. 9, 22, and 25 (Rates 3 and 4) customers exempt from Mandatory Day-Ahead Hourly Pricing, the Company has applied in a mitigation adjustment of 50% of the MSC adjustment rate. There are currently no customers to whom this rate applies; therefore, there is no revenue impact associated with the revised MSC Adjustment rate for these classes.

The Company also includes a copy of the workpapers used to determine the April 2019 MSC.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Sincerely,

/s/
