Re: Meadows at Cross River Homeowners Association, Inc.
New Tariff Schedule P.S.C. No. 2 - Water

Dear Secretary Phillips:

This firm represents the Meadows at Cross River Homeowners Association, Inc. (the Company). The Company is filing a new tariff schedule, PSC No. 2 - Water, to become effective February 12, 2021. The new tariff schedule reflects the conversion of the Company's current paper tariff schedule to an electronic format so that filings can be made electronically using the Commission's Electronic Tariff System and will allow the Company's tariff to be posted on the Commission's web page.

The Company also requests that Section 16 - Restoration of Service, as shown on leaf 10, be revised to state that the restoration of service charges will be determined by the Association Board of Directors, pursuant to the waiver of rate-setting regulations granted to the Company, Pursuant to Public Service Law §5(4), in case 92-W-0220.

If you have any questions or need additional information, please do not hesitate to contact the undersigned.

Very truly yours,

Eric T. Kolle
