Re: CASE 19-W-0726 – Joint Petition of SUEZ Water New York Inc. and Heritage Hills Water Works Corporation for Approval, Pursuant to New York State Public Service Law Section 89-h, for SUEZ Water New York Inc. to Acquire 100% of the Water System Assets of Heritage Hills Water Works.

Dear Secretary Phillips:

On December 17, 2020, the New York State Public Service Commission issued its order in the above-captioned case authorizing the transfer of 100% of the assets of the Heritage Hills Waterworks Corporation (“Heritage Hills”) to SUEZ Water New York Inc. (“Transfer Order”). The transfer closed on December 29, 2020. Clause 3 of the Transfer Order requires Heritage Hills to file a cancellation supplement cancelling Heritage Hills Water Works Corporation’s tariff schedule P.S.C. No. 3 – Water in its entirety, and the supplement, and Meter Replacement Program (MRP) Surcharge Statement No. 10 contained in that schedule, effective on not less than one day’s notice. The cancellation supplement is hereby submitted with an effective date of January 29, 2021.

Pursuant to Clause 5 of the Transfer Order, the requirements of Public Service Law §89-c (10) and Title 16 of the New York Codes, Rules and Regulations §720-8.1 for newspaper publication of the filings directed in Clause 3 and 4 are waived.

Please contact the undersigned should you have any questions.

Respectfully submitted,
