Re: Case 18-E-0138 – Proceeding on Motion of the Commission Regarding Electric Vehicle Supply Equipment and Infrastructure.

Dear Secretary Phillips:

The enclosed Statements, issued by New York State Electric & Gas Corporation (“NYSEG”) and Rochester Gas and Electric Corporation (“RG&E”), (together the “Companies”), are transmitted for filing in compliance with the New York State Public Service Commission’s (the “Commission”) Order Establishing Electric Vehicle Infrastructure Make-Ready Program and Other Programs, issued and effective on July 16, 2020 (the “Order”), in the above referenced proceeding. The Statements are to become effective on February 1, 2021.

PSC No. 120 – Electricity
EVS Statement No. 1

PSC No. 19 – Electricity
EVS Statement No. 1

The Companies currently do not have costs to collect for the Electric Vehicle Infrastructure Make-Ready Program and have set the surcharges to zero. The filing of the EVS Statements are also in accordance with the Companies’ tariffs.

If there are any questions concerning this filing, please call Kathy Grande at (585)771-4514 or me at (585)484-6810.

Respectfully submitted,
