**RE: CASE 14-M-0094 – Order Authorizing the Clean Energy Fund Framework
CASE 18-M-0084 - In the Matter of a Comprehensive Energy Efficiency Initiative**

Dear Secretary Phillips:

In accordance with the New York Public Service Commission's Order Authorizing the Clean Energy Fund Framework ("Order") issued January 21, 2016 and Order Authorizing Utility Energy Efficiency and Building Electrification Portfolios issued January 16, 2020 in the above-referenced cases, The Brooklyn Union Gas Company d/b/a National Grid NY (the "Company") hereby submits the following statement to become effective on January 1, 2021:

Statement of System Benefits Charge No. 25
To Schedule for Gas Service, PSC No. 12-GAS.

The purpose of this filing is to update The Clean Energy Fund ("CEF") and the Energy Efficiency Surcharge ("EES") for calendar year 2021. Attachment 1 contains the calculations used to develop the CEF surcharge rate which only includes the prior period reconciliation. Attachment 2 contains the calculation used to develop the EES surcharge rate plus the prior period reconciliation. The CEF and EES factors will be set forth on the Statement of System Benefits Charge and will be included in the calculation of the total System Benefits Charge included on the customer's bill.

Any questions regarding this filing should be directed to me at (917) 612-8964 or at Dawn.Herrity@nationalgrid.com.

Sincerely,

/s/Dawn Herrity
